Satsuma Chuo High School Post - September 2012

Hello! Welcome to my September newsletter. I hope you had a good summer. I had a VERY busy September! Please enjoy reading my newsletter. ☺ Happy Autumn!

My trip to England

The most exciting thing about September was that I went home to England for eight days! It was a very short trip, so I was very busy.

It was my first trip to England for 13 months, so I was very excited. I was so happy to see my family and friends! I enjoy my life in Japan, but I often miss my family and friends in England.

I had a great time! I went shopping, and I met many friends. I ate lots of delicious British food and I went to my best friend's wedding. I took around 200 photos! Here are some of my favourite photos from my trip.

This is my Mother! She is in front of the famous Robin Hood statue in my hometown, Nottingham.

This is my Father and my dog Benji ☺

FISH AND CHIPS! This is my favourite British food.

My parents ☺ They made this lovely welcome sign!

My best friends Elly and Bryan got married! Me and three of my friends were bridesmaids. It was a great day.

This is Nottingham City Hall. The weather was great!

In other news...

I went to the Sendai Tug of War (大綱引き)!

The Sendai Tug of War is my favourite event in Kagoshima. I had a great time, although the weather was bad. It was very exciting!

I watched a baseball game in Fukuoka!

I went to a professional baseball game for the first time. It was the Fukuoka SoftBank Hawks vs the Tohoku Rakuten Golden Eagles. I don't understand baseball, because we don't have baseball in England. But it was a lot of fun! I bought a baseball hat and a shirt. The game was very long. It started at 2 p.m and it didn't finish until 6:15 p.m!
